AS THE BEST FAMILY SEWING MACHINE. Its competitors receiving only an award for some special feature of their machines.

The World-renowned Wilson Shattle Sewing Machine Has Unlimited Capacity to do all kinds of Family Sowing and Manufacturing

ITS PATENT AUTOMATIC "CUT OFF" on the hand wheel prevents the machine from running backwards, and obvintes the necessity of taking the work from the machine to wind thread on the bobbins, which must be done with all other Sewing Machines, to the great annoyance of the operator, especially in tacking, hemming and ruffling. It does one-third more work in a given length of time than any other Sewing machine.

WITH EVERY MOTION of the FOOT the MACHINE MAKES SIX STITCHES. Three Wilson Machines will do as much work in one day as four other Machines. It requires no special instructions to use it; an Illustrated Direction Book is furnished with each machine.
